Questions
or answers?

Legal obstacles to e- government?

- The difference between applying law and creating law

Are we in space?

Obsession with quantification

- Human rights, ethics and morals do not lend themselves to quantification, nor fit in an excel sheet

What are human rights?

Is more law better than
less

law – or less law better
than
more?

Should we ban bad things?
(What is bad?)

Google

Who has power to enforce?

Can rules be enforced?

Is self-regulation
enough?

Empowerment

The digital revolution is wonderful!
